Transforming lives, strengthening industry and community
We aim to increase....

- Participation
- Employability
- Productivity
- Aspiration
"The cadets graduating today should be really proud of their achievements and excited for the careers they have ahead of them - no doubt they will inspire others to pursue a great career in the Police Force," said Minister for Training & Workforce Development, Sue Ellery.
Roy Hill

“North Metro TAFE understands our training needs, and thinks innovatively to provide flexible training delivery solutions, tailored for our organisation. The ability to provide meaningful training opportunities to staff on FIFO rosters is especially critical in the mining industry.” Roy Hill spokesperson

30/01/2018
The Heights

“We learn a lot by coming here, by seeing how different professionals work, it is really not that different from what we are learning at TAFE.”

(Ain Khan, NMT student)
Foyer Oxford

“I wouldn’t have achieved all of this without Foyer Oxford’s help. I have grown as a person and it’s amazing what people like me can achieve when they have the right support.”

(Ree, former resident & NMT student)
Critical Success Factors

• Cascading relationships
• Program described in words and diagrams
• Champions on each side
• Clarity about win-win outcomes
• Clarity around resourcing
• Whole of organisation appreciation
• Celebrate success
