3,422 in 2017
3,256 in 2016

CIT Executive Student Activity Report, 2018

Every $1 spent by CIT supports $1.99 of value-added in the ACT economy

856 international students from 77 countries enrolled at CIT
Work Experience Support Program (WESP)

• This program is run in collaboration with the ACT Government Community Services Directorate
Work Experience Support Program (WESP)

- WESP participants undertake four weeks of formal training in office skills at CIT and eight weeks of work placement in an ACT Government agency.
- The program provides office skills training and work experience across the whole of ACT Government.
Program Objectives

- Improve employability skills including IT, writing, office administration and communication skills.
- Gain job seeking skills.
- Prepare for entry into the Australian workforce.
- Gain practical work experience in the ACT Government workplace.
