MYOB Business Certification for Educators

We are delighted to offer our education partners the opportunity to be MYOB Business certified, ensuring you are using and up to date with the the most relevant resources for your learning outcomes.

Completing the certification will help you continue to teach the MYOB platform, supporting your own professional development.

- + Free self-paced online learning using MYOB Academy
- + On completion you will be issued a Credly badge
- + Only takes approximately 3 hours to complete
- + Contributes to your professional development hours

Reach out to Shailan Patel or Tricia Andrews to register to be MYOB Business certified.
